

## ANTI-BRIBERY AND CORRUPTION POLICY

**JULINAT TECHNICAL SERVICES LIMITED** is committed to complying with all laws and regulations, which govern our operations in every state in which we operate. This Anti-Bribery and corruption Policy explains our individual responsibility to comply with anti-bribery and anti-corruption laws around the world and to ensure that any third parties that we engage to act on our behalf, fulfil the same obligations.

The penalties for violating these laws can be severe, both for the Company and for the individuals involved, including significant corporate and individual fines, and imprisonment.

**JULINAT TECHNICAL SERVICES LIMITED** has a zero-tolerance attitude towards bribery. Even the suggestion of corruption may damage the reputation of the Company and affect its ability to do business, as well as the reputation of its employees.

**JULINAT TECHNICAL SERVICES LIMITED** is therefore committed to doing business ethically, even if this means not gaining new business, not using the services of particular agents or business partners or incurring delays in carrying on our existing business.
